Areas of Expertise

- Business & Strategic Planning
- Closely Held Business Services
- Manufacturing Operations
- Traditional Tax & Accounting Services

Current Position

Tony is a Business Advisor and Managing Principal of Rehmann's Central Michigan Region.

Experience

Prior to joining the firm in 1995, Tony spent over nine years in public accounting with an international public accounting firm serving small to mid-sized private businesses, primarily as a tax professional.

Tony also has over seven years experience in private industry with progressive and increasing management responsibilities. As Vice President and Chief Financial Officer of a plastic products manufacturer, he had responsibility for manufacturing operations, including engineering and quality assurance, human resources, information technology, and accounting and administration.

With Rehmann, Tony has been part of the Manufacturing Services Group and has worked with owners of businesses in a variety of other industries including construction and distribution.

Education

Tony is a graduate of Ferris State University with a Bachelor of Science in Accounting.

Professional Organizations

- Association of Manufacturing CPAs, past National President
- Institute of Management Accountants, past Chapter President
- Michigan Association of Certified Public Accountants, past Chapter President
- Jackson Breakfast Rotary, past President
- The Family Business Council, Family Firm Institute member

Personal Mission Statement

As a business advisor, Tony is committed to helping clients stay focused on achieving their goals.
